

## **Rules, Codes of Conduct & Supervision**

Top Class Sport will endeavour to try to fulfil all requirements of those involved with our programmes/courses in order that every person has a full and enjoyable experience.

However, the company reserves the right to exclude or refuse any person at any time prior to or during the activity or course if, in the company's opinion, that person's behaviour prevents other clients from being able to participate with full enjoyment. In this instance the company will not provide a refund for any cost.

Top Class Sport staff provide full on and off site supervision and care. For residential camps the staff are accommodated in rooms within the same complex and they are accessible during the night.

Children sleep in single, twin rooms or dormitories. Should you wish you can make requests for rooming allocation and suggest other campers you might like to share with.

Please note that while we will do our best to comply with your wishes we are unable to guarantee that your request will be met.

Campers are responsible for any damage they may cause.
